# Search Using Sundries Keyword

Keyword search looks at the part description and category and returns any part that matches that keyword.

Try primer, cleaner, urethane, knife, razor, or anything else.

The screenshot shows the PGW Everything Auto Glass website interface. At the top, there is a search bar with the text 'Sundry Keyword' and a dropdown menu showing 'PRIMERS'. Below the search bar, there are navigation links: 'Go To Classic', 'Products', 'Update My Profile', 'Help', 'Contact', and 'Sign Out'. A banner for 'PGW EVERYTHING AUTOGLASS' is visible, along with links for 'VIN Decoder', 'Free Tech App', and 'Free Business Page and More'. The main section displays 'Results (18)' and a table of search results. The table has columns for 'PART NUMBER', 'PART DESCRIPTION', 'MANUFACTURER', and 'POPULARITY'. The results are sorted by popularity, with the most popular item at the top. Each row includes a 'VIEW INVENTORY' button.
